

Parking possibilities:

As the customer parking spaces are limited in our underground parking lot, we would like to advise you to use the car park right behind the S-Bahn (2 minute walk to PE, parking fee is 2 Euros for 24 hours).

When arriving on the Hauptstraße (coming from the Autobahn) in Echterdingen you will get to a roundabout where you take the second exit and after a few metres turn left into the third street (Stadionstraße) following it to the end. Then turn right onto the Esslinger Straße and follow it to the next roundabout where you take the first exit into the „In den Gärtlesäckern“. You will find the parking lot at the end of the street. It will take you about 2 minutes to get to PE. Just walk along the S-Bahn stop (Filderbahnstraße) until you get to the Hauptstraße where you will see the white PE building with the blue window frames.
